First day of our English chatting was nervous. We decided to chat that day. At 7 o'clock, we started chatting. We decided to talk about our everyday life. We talked about our class because we are major in same speciality. I sighed about my computer class. And other school mates also talked about their class and professor.

I was hard to think vocabulary. I thought it won't be hard. But using English in everyday life was quite difficult.

2015.05.07.Friday.

Next day, we thought yesterday wasn't good. So we chosen topic and said our story. I introduced my favorite movie. The movie name is 'Love, rosie'. It's foreign movie and one girl's life story. I recommended this because it has romantic scene but also has funny scene. After me, Dong hyun introduced his favorite movie. He introduced korean movie 'medicine seller.' He said it's really sad movie. And, Su hyun recommended chinese movie called 'You are the apple of my eye'. I saw that movie before. So, I could talk about that movie with Su hyun. It was really good experience. We had much conversation than yesterday. But I pledged to talk more on tomorrow.

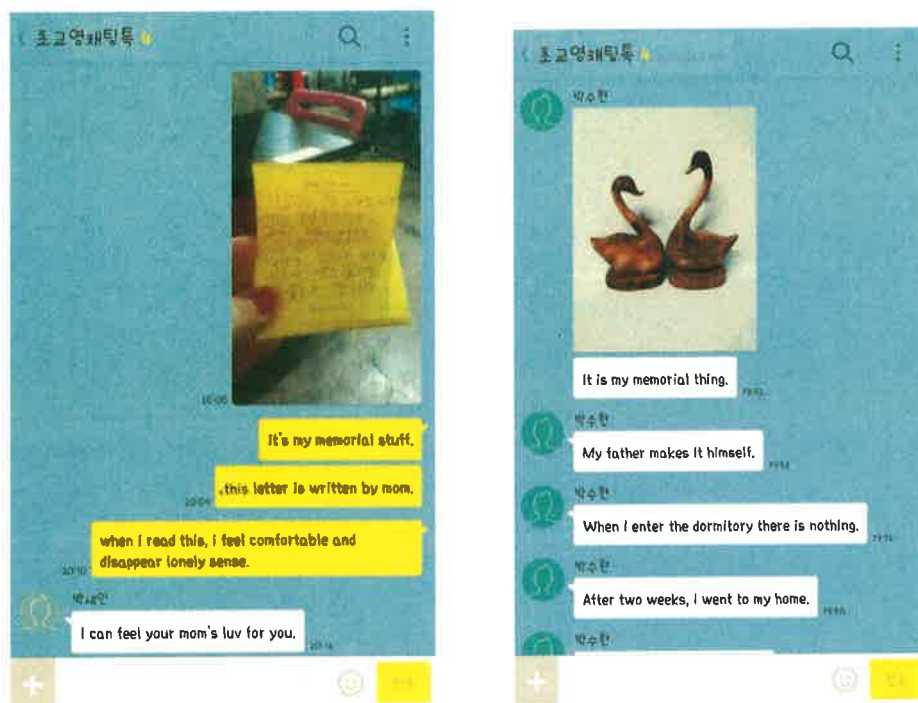

2015.05.11.Monday.

We thought talking with no theme would be not helpful. So, we had debate of 'Is Campus couple good?'. Dong hyun was the opposite of campus couple(cc). Me and the other was agree to cc. I agree with that because cc can enjoy school event together. And, Su hyun vote for agreement because cc can meet easily. Dong hyun sent refutation. He had experience of cc and he felt discomfort after breaking. He even said terrible. After knowing cc's breaking discomfort, my thought was little change. I think having boyfriend in my university is quite dangerous.

2015.05.12.Tuesday.

On that day, we introduced our memorial and precious thing. I introduced my mom's letter which I keep in my wallet. It's small yellow letter. My mom wrote for me. When I miss my family, I read this. My home is Cheon-an. So I couldn't visit there. It is really helpful for my loneliness. Donghyun showed his wallet which his mother gave to him for being adult. Su hyun introduced sculpture of duck. She said that isn't glamorous but she really

like that. Se in showed shoes which is bought for using a certificate after suneung. He felt feeling of reward about 12 years that he had studied. Knowing other's memory was really good experience.

2015.05.13.Wednesday.

Wednesday's topic was best restaurant near the KNU. Dong hyun introduced pork cutlet restaurant. The restaurant can eat pork cutlet infinitely. He added blog link which introduced that restaurant. So I could see pork cutlet's picture. He said price is good and desert is lemonade. Su hyun recommended 'Sin Seoul jok bal'. Th restaurant is located in the north gate and is ordered in individually. And price is 6900 won. My favorite restaurant is 'yal hawdy' in zzok gate. There is famous for kimchi fried rice and pork cutlet. I visited there twice. The restaurant is non-expensive price and gave us large amount of kimchi fried rice. Lst, se in introduced 'Secret garden' in north gate. He said this place is hidden good favor restaurant. And there is discount for congratulation of 13th anniversary. I said I want to visit there as soon as possible.

5 days for chatting in English was little difficult. I thought my english skill is quite good. But I can't send message immediately. I will practice to , write some sentence in English. And I have to learn more vocabulary.
