My Goals (What do I want to achieve?)

improve my pronunciation

How will I do this? (How am I going to achieve my goal? What kind of work will I do? When will I complete the work?)

I will watch English TV program named "star wars: The clone wars"
And choose few episodes to study. This study will be done by this process
First, list the word that I don't know. I think I can ~~use~~ use English
Subtitle to make it easy
Secondly, ~~make~~ I will search dictionary and check it's meaning and pronunciation
Thirdly, I will practice pronouncing

How will I know if I succeeded? (What do I need from the professor? How will I be graded? Self-assessment, peer assessment, instructor assessment? Deadline/date for completion?)

I will record my pronouncing practice
when it sounds. Similarly with internet dictionary's pronunciation, I can
see it as done.

Deadline: June 2nd
